

Masaryk University Staff Training Week

3RD EDITION OF MUST WEEK FOR CAREER SERVICES
20 - 24 MAY 2019 | BRNO | CZECH REPUBLIC

The main topic of the week is **the professionalization of career-guidance services**. We will focus on **the system of career counselling** as a continuous work with the student. Our aim is to introduce **three systems of career guidance and invent ways to apply good practice at workplaces** using the help of experienced facilitators. **Meet your colleagues from all over Europe and share your experience with them.**
